

QMS POLICY

BOULEVARD INTERNATIONAL FZC located in Ajman, UAE is to remain committed to the “**Provision of General Trading - Steel Fabrication & Engineering Industrial products within GCC countries.**” to the complete satisfaction of each and every customer and thus achieve leadership in market as a reputed and reliable supplier.

We commit ourselves to achieve this by:

- ❖ Achieving production commitments on time, within the budget and as per applicable legal requirements as well as satisfying customer requirements consistently and cost effectively.
- ❖ The top management of **BOULEVARD INTERNATIONAL FZC** is committed to promote Quality Management System awareness and understanding throughout the Organisation. We are implementing a pro-active Quality Management System for setting and achieving the Quality objectives in alignment with the strategic direction and context of the organization.
- ❖ Continually improving our processes, products and services in a sustainable manner as well as utilizing best available manufacturing technologies.
- ❖ We will adhere and comply with the discipline and standard with respect to local and U.A.E ministerial regulations in a socially responsible manner.
- ❖ Communicating the policy to employees and other interested parties with emphasis on their individual QMS obligations, as well as providing training to our staff for improving their competency.
- ❖ Aim to enhance customer satisfaction by providing value added products and services.
